Here and Now, There and Then (Revelation)

September 12—November 21, 10:50am

In this 11-session series on the book of Revelation, Beth Moore presents many points of view, allowing women to decide for themselves when the interpretation varies among scholars. She teaches that God is as specific about what He does reveal as He is about what He does not reveal.

Me, Myself, & Lies

September 12—October 24, 10:50am

Words are powerful. Especially the words women speak to themselves. All too often, what they say to themselves when they lie in bed at night or look in the mirror in the morning is not even close to the words God wants them to speak to their souls. What we think about often has a ripple effect on nearly every area of our lives. This 7-week

study from Jennifer Rothschild encourages women to clean out the junk in their minds and replace hidden, negative thoughts with positive truths from God's Word. **Workbook—\$12.95**

Breaking Free: The Journey The Stories

2 Sessions, Wednesdays at 10:00am and 6:00pm
September 8—November 17

Beth Moore looks at the book of Isaiah through the lives of the kings who ruled during the prophet's ministry, kings who exemplify many of the obstacles to freedom with which we must deal. No matter how big or small, Beth explains that anything that hinders us from the benefits of knowing God is bondage. This study includes testimonies of how

women have found freedom and have been delivered from personal captivity. **Workbook—\$16.18**

Childcare is available for a small fee during the Wednesday morning session of Breaking Free.

\$2.84 billion in revenue was generated from U.S. porn sites in 2006. Every second - \$3,075.64 is being spent on pornography. Every second - 28,258 Internet users are viewing pornography. It's no wonder that one of the results of the porn industry is broken marriages and wives who are dealing with issues of self-worth. If you are one of these women, you are not alone! "For Women Only" is a small group for women whose husbands struggle with pornography and/or sexual addictions. A safe and anonymous environment is provided so that you can grieve the losses of sexual betrayal, and focus on your own spiritual growth, while you begin the process of forgiveness and healing.
